

**December 1, 2019 through January 31, 2020 is open season!**

**Our home** will be available to accommodate from 1 guest up to 6 guests at any given time during these 2 months. Choose your own dates between Dec. 1 to Jan. 31 to visit Kenya. We will open our home during the Kenyan summer season to provide room and board for a reasonable fee. We can assist you to customize your stay in Kenya, from visiting sponsored students, volunteering, and sightseeing adventures. You can stay for a week or as long as you like!

**If you would like** to come to Kenya without a strict agenda to follow but instead feel the freedom of doing your own thing with a little advice from us, we can help you on a day to day basis see and do what you would like to do. Do you want to visit your HFLW sponsored students? How would you like to see the city of Nairobi, or the countryside of Kenya? From tea plantations to the Great Rift Valley and beyond the beauty of Kenya will awaken your heart and grace your soul. Maybe a 3-Day Safari will be on the agenda? So many things to see and do. Bring a friend or we can tag along with you to keep you company. If you prefer solitude and peacefulness you can have that too!

**Want a stricter agenda?** We can provide you with that as well but with the dates that you choose! We can take you to our projects and programs with HFLW. You will go a Safari at one of the National Parks, visit the Elephant Orphanage, Giraffe Center, Maasai Market, and take a city tour! Opportunities will be many, and we will stay on schedule for the time you have allowed yourself to be in Kenya.

**If you're a group of 3-6 friends** and want to come to Kenya to experience giving back to humanity you are welcome. Your group can choose their own dates to travel to Kenya and the amount of time you want to spend with us. Do you have a fun project from art to music that you may want to share with children? We have two schools that would welcome your expertise and love the opportunity to learn and grow from such knowledge, and oh my goodness what a great joy for the kids!

**How much** does this cost you ask? Not as much as you think!

- \$189 weekly per person, (7 nights) will include your bed and breakfast.
- \$30 a night if staying less than a week.
- \$70 transportation to and from the airport.
- When scheduling a 30% deposit will be required.
- You will need to furnish your own airfare, travel/flight insurance because you might get a better price than us if you have saved miles or discounts. 😊
- You will need to acquire a Kenyan Visa, \$50.

**If you want us to schedule** an agenda for you or you want to hang loose to do your own thing the cost of the bed and breakfast will always remain at a low cost.
