

## HOW TO: Sponsorship Program

If interested in sponsoring a child with Hearts For Love Worldwide here is the following outline to get started:

- 1. If you have seen a child on the website or posted on FB, CONTACT LORY, HOLLY, OR JENNIE. You may use the email address listed on the perspective page associated with the school you have searched or you may send an email to any one of the following emails: [holly.caulfield@gmail.com](mailto:holly.caulfield@gmail.com), [loryjacobs@yahoo.com](mailto:loryjacobs@yahoo.com) or [jfriesthler@heartsforloveworldwide.org](mailto:jfriesthler@heartsforloveworldwide.org) with "I want to be a sponsor" in the Subject Line. Let us know your interest of being a sponsor and the name of the child and their school that you have noticed. If you want us to choose and have a certain criterion let us know, see the following:**

  - a. Level of student: Primary, Secondary, or University/College or Trade school are options
  - b. Do you have a certain age of child you would like to sponsor?
  - c. A boy or girl? Orphan, single parent, or other reason?
  - d. Or do you want to leave it up to HFLW to choose?
  - e. Day student or boarding student, but keep in mind that orphans will always be boarding students so they will be cared for 24 hours a day as they have no home to live other than at school. During school breaks they are in foster care with qualified families, or Holly House.
  
- 2. Choosing a child. Sponsoring cost is \$20 monthly** for all students except those residing in Holly House. **Holly House children are \$30** because of the cost involved in caring for them. Most are orphaned or have been placed in the children's home for other reasons. Hearts For Love Worldwide works with 19 different schools in Kenya and even though the costs differ depending on the school, grade level and whether the student is a boarding or day student, we still only are asking a \$20 sponsorship fee. Our Education Fund offsets some expenses, and we fundraise throughout the year to cover added costs the students may have. (As an example, the average cost for a student can range from \$240 - \$450 a year for a day student, boarding students, approximate \$600-\$800, College/Trade \$300 - \$1500 a year. **Sponsoring cost is still \$20 monthly, unless you choose to want to take on additional financial responsibility.** Some sponsors pay \$25 or more, and others will take on the full responsibility of the student need which can be \$50 or more each month. We also do co-sponsorships with 2 or more individuals when students who attend boarding schools need extra funding up to \$50 or more. Holly House children can benefit immensely from two sponsors, with one paying for school fees of \$30 and \$30 for upkeep in the children's home. Follow us on Facebook as we post often those children that are ready to be sponsored or check the website.

**3. We have 3 different gifting options.**

- a. Monthly at \$20 = \$240 yearly. Holly House monthly \$30 = \$360 yearly
- b. Per term (3 times a year). \$80 each term = \$240 yearly. Due on December 1<sup>st</sup>, April 1<sup>st</sup>, and August 1<sup>st</sup>. Holly House per term \$120 = \$360 yearly Due on December 1<sup>st</sup>, April 1<sup>st</sup>, and August 1<sup>st</sup>.
- c. You may gift one full year of school fees no later than December 1<sup>st</sup> of each year as the third gifting option. \$240. Holly House \$360

**4. What your monetary gift covers:** Your dollars cover first the school fees, school uniform/shoes if needed, starter school supplies, daily school lunch. HFLW provides a qualified/certified counselor that works with our students and families. Career counseling, workshops are conducted throughout the year so that each student sponsored can succeed. This is an investment for all, and as an Education Program it is our job to perform as well as our students. Parents/guardians of some students do participate financially as this is considered a responsibility that they must also continue to work hard to help themselves. You will find this taking place with most secondary students, university/college or trade schools. It also may happen if a school is not a government operated school. You and I are giving a hand up not a hand out.

**5. We have a “school recycle shop”** that recycles books, shoes, uniforms, backpacks etc... which keeps yearly costs to a minimum with both our parents and sponsors.

**6. To help you chose** we give you preliminary information on those that are available. The name, age, class level, school attending, and a small bit of information about the family or challenges that the child may be experiencing. If you need additional background information before choosing your student, you may email either Lory, Holly, or Jennie.

**Once you accept** the position of sponsor, you are given the latest school news, report card, more photos if possible at that time, and any other additional information that we have available. Then it is time to begin your gifting option.

- a. Gifting can be done via check sent to our local address:  
Hearts For Love Worldwide,  
989 S Main St. A-122,  
Cottonwood, AZ 86326.

You may also set up monthly recurring bill payment with your bank and have a check sent each month to the above address.

Credit/debit card via our website using our online donation form. You can set up a recurring monthly payment with the online donation form or use each month.

You may use your PayPal account to pay monthly or set up a recurring account. You must have a PayPal account to do this. When you use PayPal the email address that you will use is [loryjacobs@heartsforloveworldwide.org](mailto:loryjacobs@heartsforloveworldwide.org) Need help or are ready to follow through with sponsoring let us know and we will help you begin and get through the process.

- b. Remember as a sponsor you can remain anonymous if you so choose. But we encourage getting to know your student as they thrive with mentoring, positive role models, and just plain knowing that they are loved!
- c. As a sponsor you will receive letters, report cards, school news, photos at least 3 times yearly. Some older students, but not all are given permission to correspond with emails if you so choose to do this.
- d. We do encourage correspondence. You may write letters and send via HFLW and we will send along as often as you send those letters to us. Students will write to you as often as they are allowed, but you are guaranteed 3 letters per year and these are usually during school breaks in April, August, and Nov./Dec.

**7. We ask our sponsors** to commit to at least one full year each time. Depending on when you started your sponsorship with your student will be when we ask you two months prior to your yearend if you would like to continue for another year and so on. You are under no obligation to continue as a sponsor as we know that changes in personal finances do happen and we do understand this. All we ask is that as a sponsor that you please notify us if you need to discontinue at any time or change your gifting option from what you first chose when you began the journey. This will allow HFLW the opportunity to decide for another sponsor or make adjustments for you.

**8. Sponsorship** can come from many avenues, individuals, couples, families, schools, churches, & work places. We welcome all those that want to help make a difference in the life of a child. The opportunity is uplifting, exciting, and a journey that many others have said they would never change

**Your next step:** Contact us and let's get started! Any further questions please feel free to ask. We welcome the opportunity to share with you what we can answering all your questions. We are also available to speak with your group, family, school or church about HFLW and trips each year. A trip is planned for those interested January/March/July of 2019 to visit our program in Kenya and the students we work with. The trip will cover many wonderful adventures for two weeks! Go to Kenya 2019 on the website for more information.

Follow us on Facebook!

Our organization is fully transparent and hold a Platinum Level with Guidestar. HFLW is in good standing with the Arizona Corporation Commission, and the IRS.

Thank you,
