

Holly House Sponsorships Special Care/Needs

The children at Holly House are special! Most of these great kids have lived vulnerable lives, some being orphaned, others abandoned for reasons we do not always understand, but none the less they are special and need a little more to help them make it through this time in their lives.

Holly House children attend school on the campus where their home is located. Currently Holly House sponsorships are \$30 USD per month. This fee covers room, board and a few basic provisions. We, at Hearts For Love Worldwide, know this small fee does not cover all of the children's many needs.

To better serve the children at Holly House HFLW is introducing two separate types of sponsorship. One being the **School** fee sponsorship at \$30 and the other a **Home Care** sponsorship of \$30. A sponsor may choose to pay one fee or may elect to do both. If one sponsor chooses to do both the **School** and **Home Care** sponsorships the child will receive \$60 each month from that sponsor.

The alternative is to have one sponsor do **School** and another sponsor cater for **Home Care**. This option prevents a single sponsor from having such a large monthly expense. This would be referred to co-sponsoring.

Each sponsorship will include the following:

\$30 School Sponsorship provides:

- School fees
- School Uniform/school shoes/shoe polish
- School Supplies/Book Bag
- School lunch

Home Care Sponsorship of \$30:

- All other meals when not in school
- Hygiene products such as toothpaste, toothbrushes, sanitary pads for the girls, body soap, washing soap, deodorant, haircuts/hair products
- Additional shoes and clothing as needed
- Medical Needs

When you are ready to commit to a child at Holly House, connect with Holly at holly.caulfield@gmail.com and she will walk you through the process and help you make the correct decision for you and the child you are sponsoring.

Please do not feel you are expected to pay both fees. One reason we have a General Fund and an Education Fund is, so we can provide for children whose needs are not covered by sponsorship fees. If you feel giving to the Education/General Fund periodically is a better fit for you, we invite you to participate in that way. There are many ways to help HFLW help the children and we encourage you to find what works best for you.
