

“OPEN HOUSE ~ KENYA WITHIN YOUR REACH”

“Open House” is just what it means! Our home is open to accommodate those of you who are unable to come on a specified trip date. Or maybe groups aren’t your thing, but you still would love to come to Kenya and spend all your time with your sponsored children or doing what you want to do. Maybe you’re on a tight budget or just want to volunteer with one of our projects! Whatever the reason we believe we can accommodate you and a friend or two in between our regularly scheduled trips!

You may make your plans for anytime between the dates listed and have a reasonably priced place to stay. Reserve as early as possible! The home stay cost benefits the General/Education Fund with Hearts For Love Worldwide.

We will accommodate one person or up to 6 guests at any given time during the following OPEN HOUSE time frame!

This is your time, your trip, and you can customize as you go! You can stay for a week or for as long as you would like!

Heart Happenings during the “OPEN HOUSE ~KENYA WITHIN REACH” dates.

July through September always offers lots to do. Kids are finishing up classes, have a short break then back to school. Visiting your sponsored child is never a problem, as we work closely with all our schools!

Because of Covid 19 and the changes with the Ministry of Education school yearly schedules Career Week has been adjusted to accommodate, weekend seminars and activities throughout this year to accommodate the secondary students. We do hope for 2022 to give us back our normal scheduled activities.

- ❖ November is full of preparations for the Christmas Holidays.
- ❖ HFLW Online Store orders are beginning to be filled, shopping is underway.
- ❖ December is planned with parties for kids, and we travel to Loitokitok to deliver gifts and food baskets for sponsored students.
- ❖ December school holiday break is short, but we will continue to deliver food baskets, gifts, and have parties.

Every open house date/time offers something to do with HFLW, from assisting families, schools, and the children, visiting with sponsored children, and of course adventures! Somedays we are surprised with what may come up for us to do! It is never a dull moment!
